

US Capital Global Organizes and Hosts Events in the USA, UK, and Asia with Industry Thought Leaders

San Francisco-based private financial group hosts a wide variety of dynamic and informative events for family office leaders and both institutional and individual investors in the USA and abroad.

SAN FRANCISCO, MAY 2019 – Following the success of last year’s numerous investor and influencer events, **US Capital Global** continues to host and sponsor a rich array of interactive and forward-thinking gatherings worldwide. As a source of innovative leadership in the financial and investing community, US Capital Global events feature insights for family offices and financial advisors, as well as the opportunity to extensively network while discovering first-look investment opportunities across a range of popular sectors.

US Capital Global is a full-service private financial group headquartered in San Francisco, CA. The company focuses on structuring and providing sophisticated debt, equity, and investment products for lower middle market companies and investors. Using the latest FinTech and RegTech innovation, the group provides private placement and capital raise services through its registered investment bank affiliate, US Capital Global Securities, LLC.

“We host private influencer luncheons and exclusive networking gatherings focused on growth and innovation, as well as compelling panel discussions. We put together lively and engaging events in top international locations, providing new insights on the role of alternative investments in FinTech and HealthTech and on fixed-income debt instruments,” said Vanessa Guajardo, Vice President at US Capital Global and Advisor on Corporate Development for Multi-Family Offices. “At US Capital Global we believe deep and collaborative engagement with the financial ecosystem’s most cutting-edge topics is a valuable opportunity to foster greater innovation.”

Recent international event topics have included “Top 5 reasons to invest in the non-conventional investment sector” (London), “How is money going to be raised using digital securities?” (New York), “Why fixed income alternative investments?” (Los Angeles), “Top real estate investment strategies” (San Diego), and “Investment banking funding secrets: get paid for your referrals” (San Francisco).

Events bring together leading thought leaders in FinTech and rising investment sectors, and are frequently chaired by the Founder and CEO of US Capital Global, **Jeffrey Sweeney**, author of **numerous articles** in leading industry journals, such as ABF Journal, ABL Advisor, The Secured Lender, and The Fintech Times. Recent event locations include London, New York, San Francisco, Los Angeles, San Diego, Santa Barbara, Washington DC, and Hong Kong (upcoming).

About US Capital Global

Established in 1998, **US Capital Global** leverages the latest FinTech and RegTech innovation to provide sophisticated debt, equity, and investment products to lower middle market companies and investors. The group manages direct investment funds and provides wealth management and capital raise services. Operating with its registered investment bank affiliate, US Capital Global Securities, LLC, the firm acts as a licensed placement agent for companies, funds, and projects, and collaborates closely with its peers in professional banking and investment advisory. www.uscapglobal.com
