

Pankaj Vashisth Joins US Capital Global as Vice President

Leading private financial group for the lower middle market appoints additional Vice President following a year of strong business growth across multiple verticals.

SAN FRANCISCO, APRIL 2019 – **US Capital Global** is pleased to announce that **Pankaj Vashisth** has joined the firm as Vice President. Headquartered in San Francisco, US Capital Global provides sophisticated debt, equity, and investment products to lower middle market companies and investors, using the latest FinTech and RegTech innovation.

Mr. Vashisth brings over twenty years of experience managing global teams at Fortune 500 companies. He has a proven track record of combining insightful business analysis with in-depth knowledge of strategic planning and executive leadership to improve team operations and increase company revenue. Having previously worked for Bank of America, Merrill Lynch, Swiss Re, First Data, and Deutsche Bank, Mr. Vashisth has deep experience in M&A, debt financing, real estate investment, asset management, and risk management.

"I am extremely pleased to welcome Pankaj to the firm," said **Jeffrey Sweeney**, Chairman and CEO at US Capital Global. "Having led and sold several successful manufacturing companies in the 1990s, Pankaj comes to the firm with a depth of experience in lower middle market business and a clear understanding of client needs, which we value highly here at US Capital Global. Pankaj will be

ASSET MANAGEMENT & CORPORATE FINANCE

responsible for all aspects of the firm's debt and equity business development, advisory services, and client relationship management."

Commenting on his new role, Mr. Vashisth said, "I am thrilled to join US Capital Global and its highly effective team of investment professionals. Throughout my career, I have worked with both private, entrepreneur-driven companies and leading international brands, across a wide range of industries, with a special emphasis on the development of high-tech products. US Capital Global, with its strong focus on FinTech and RegTech, is a perfect fit, and I look forward to supporting the firm's continued expansion."

About US Capital Global

Established in 1998, the **US Capital team** leverages the latest FinTech and RegTech innovation to provide sophisticated debt, equity, and investment products to lower middle market companies and investors. The US Capital Global group manages direct investment funds and provides wealth management and capital raise services. Operating with its registered investment bank affiliate, US Capital Global Securities, LLC, the firm acts as a licensed placement agent for companies, funds, and projects, and collaborates closely with its peers in professional banking and investment advisory.
