San Francisco-based private financial group supports the consolidation and growth of international FinTech media company.

SAN FRANCISCO, FEBRUARY 2019 – **US Capital Global** has provided financing for the consolidation of Disrupts Media Ltd, a leading London-based FinTech media company. Disrupts Media Ltd is responsible for publishing the world's first and only FinTech newspaper, The Fintech Times. With over 120,000 online readers and 150,000 print readers, this leading publication chronicles the latest developments in financial technology.

Headquartered in San Francisco, US Capital Global is a full-service private financial group with an established track record in asset-management and private client services. The firm focuses on providing lower middle market businesses and investors with sophisticated debt, equity, and investment products usually available only to larger companies and institutional investors.

"We are delighted to have a significant role in supporting The Fintech Times," said **Jeffrey Sweeney**, Chairman and CEO at US Capital Global, and a regular contributor to the newspaper. "The Fintech Times is a pioneering publication that shares the ideas and strategies of international thought leaders and FinTech firms, and we believe it has immense potential for further growth."
